WestBow Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you wondered if science and religion conflict with each other? Does science explain everything including the existence of the mind? This book will examine these questions and many others and then weigh the evidence using medical diagnostic tools and techniques to determine the best explanation for the way things are. Like the study of God, neuroscience is mysterious and complicated, but we are able to dive into these mysteries and strengthen our faith.
