Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The League of Nations and Its Problems: Three Lectures* P.s. - while this Preface and volume were going through the Press, Austria - Hungary and Germany surrendered, and unprecedented revolutions broke out which swept the Hapsburg, the Hohenzollern, and all the other German dynasties away. No one can foresee what will be the ultimate fate and condition of those two once mighty empires. It is obvious that, had the first and second lectures been delivered after these stirring events took place, some of the views to be found therein expressed would have been modified or differently expressed. I may ask the reader kindly to keep this in mind while reading the following pages. However, the general bearing of the arguments, and the proposals for the organisation of the League of Nations and the establishment of an International Court of Justice and International Councils of Conciliation, are in no way influenced by these later events.
