

## Before Starting Home Construction: What You Must Know in Advance

By Kip Koehler

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Caution - Philosophy Ahead Prior to starting on the home building adventure let us look at some of the caveats that prospective homeowners should become aware of through a process of education by qualified and interested parties. Building a home is usually an undertaking between partners, and requires a substantial effort on their behalf. However this does not mean that the road traveled can not be highly productive and enjoyable. What it surely does mean is that both parties should. - be on the same page, with the same information - have common intentions for the basic design - work toward a definable set of goals - cultivate a positive mental attitude - discuss this book in order to gather new insights A common misconception about building a custom home is that disagreements between mates will invariably strain their relationship. This is not necessarily true, nor does it have to be that way. Because of the home building experiences that my wife and I had it actually built a stronger bond between us. a big plus in a...
