Pages Number: 374 Publisher: People s Sports Publishing House Pub. Date :2009-10. This book will introduce the University Group based. so that the reader has a U.S. university sports more comprehensive understanding. and hope that more readers can feel the unique taste of college sports and the University of care and support for China s sports. development of sports in the university to a high-tech level. but also hope for China s sports to improve the overall level of help. Of course. the United States and China University of distribution is significantly different. American universities. especially with the fine tradition of the university s sports. not many professional sports teams located in the small city or university town. often thriving university. college sports so watch the local and surrounding residents is an important part of life. And Chinese universities. especially those with high levels of the university sports teams. in more developed cities. and several universities will be a city. so a particular university athletic performance will not be a high priority. Even so. the U.S. university sports management. organization. publicity. will give China some inspiration. to promote sports development in China s universities have a positive meaning. And illustrated the way the book uses plain language. trying to show by example to the reader the overall U.S. university sports events and competitions grand layout. so that readers virtual reality entertainment for the readers. while providing the United States University sports competition background information and basic knowledge and adding in the introduction of some episode or story. so much more colorful. This book can be used as entertainment for interesting reading. but also as a teaching and research reference...
