Xtal Rose, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Think Tucker Max meets Chelsea Handler-- This is a humorous memoir about a female's journey through life, love, dating, relationships and the struggle a young woman goes through to remain faithful. Throughout the book she shares relationship advice, do's and don'ts, personal experiences and dating tips. For Example: *Signs of a Cheater *The Do's and Don'ts of Getting Laid *The Rules of Being a Mistress or Mister *And a LOT More! Chrystal Rose makes no apologies as she describes her needs, wants, mistakes and sexcapades as though you were a couple of good friends chatting over coffee-or a strong cocktail. This is NOT a How to Cheat Guide but an honest peek into someone else's life. And since women don't typically admit to cheating, or are pegged for it nearly as often as men--Aren't you a little curious? Want to check out more of Chrystal's writing?
