EYES THAT COULD KILL

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Langley Garrett discovers Greek gods and the myths and legends that surround the lost city of Atlantis are not ancient history to those who arrange his abduction. Within hours of being drugged and restrained, he finds himself imprisoned on a remote island, with no clue as to why he was kidnapped. The Sons of Cleito, a mysterious group whose ideology and beliefs are guided by Greek mythology, believe he is a spirit, crucial to their future, and immediately begin his indoctrination process - starting with explicit evidence that his wife is not only a member of The Sons, but also that she is an adulteress, and has been working with their enemies to destroy The Sons of Cleito. Yet, before he has time to understand the ugly truth about his wife, he is abducted once again during a violent commando raid on the island and is rushed aboard a submarine for questioning - about his wife, and a long forgotten letter from his dead mother. Garrett learns very quickly that he is in deep trouble, but has no clue as to why he is being accused of involvement in an international terrorist organisation. Later however, after weeks of interrogation and beatings in a desert prison, all he knows with any degree of certainty, is that he will be lucky to stay alive for very much longer. Read about Langley Garret s abductions, mysterious misfortunes, Greek mythology, gods, deities and eternal secrets - and why history can only ever repeat, in Eyes That Could Kill, a mystery thriller.
