Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Outskirts Press, United States, 2010. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Fifty proverbs of this noxious crowd are described in Poor Lenin s Almanac: Perverse Leftist Proverbs for Modern Life. These proverbs reveal the attitude of Poor Lenin toward government I never met a bureaucrat I didn t like and politics A victim in need is a vote indeed. The proverbs reveal also the social mores of the left Parents should be seen and not heard and An ounce of celebrity is worth of pound of merit and its hostility toward God In the beginning, Darwin created the Heavens and the Earth and America I pledge indifference to the flag. The fifty maxims are explained in short, easily digestible and humorous portions that can each be read in just a few minutes. They cover every type of meanness, pettiness, and cowardice that is...
