Keith Publications LLC, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Legal Eagle is a step by step guide to help you take the horror out of law school. It is no mystery that law school, by its very nature, is a uniquely challenging undertaking for new students. There have been several movies about the difficulties of law school and even more books have been written on the subject. While those books do a good job of describing what law school is like, they do an even better job of striking fear in the hearts of incoming law school students who spend their summer dreading their impending torts or civil procedure classes. Oddly enough though, law school is not nearly as stressful or difficult as people make it out to be!.
