

Olefin epoxidation and catalysis

Filesize: 4.19 MB

Reviews

This sort of publication is everything and made me seeking forward and much more. Better then never, though i am quite late in start reading this one. I am easily could possibly get a delight of reading through a created pdf.

(Quinton Balistreri)

OLEFIN EPOXIDATION AND CATALYSIS

To get **Olefin epoxidation and catalysis** eBook, you should refer to the link below and download the file or have access to additional information which are related to OLEFIN EPOXIDATION AND CATALYSIS book.

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Formation and Decomposition of Alloocimene Oxide | Scents are everywhere. One of the earliest and best known historical references to odourants appear in the Bible. In the popular scene when Three Wise Men from the East presented baby Jesus with frankincense and myrrh. In fact the Bible mentions many other scents and fragrant oils. This reminds us that in the past the main source of scents were plants. But as it gets ever more difficult to harvest smells from nature a novel and synthetic routes of manufacture have to be developed. Vital is the fact that they all should comply to the green chemistry principles. This book is an account of the study into the chemistry of alloocimene oxidation and decomposition. An important intermediate of sandalwood aroma, one of the oldest and most expensive perfumery raw materials. But it also provides a bigger picture of olefin epoxidation discussing the mechanism of the process, oxidising agents and the use of catalysts. In particular gold nanoparticles, which begun their outstanding career with the application to cleaning contaminated air. It is addressed to a wide audience including students, chemistry professionals and all interested not necessarily experts in advanced chemical science. | Format: Paperback | Language/Sprache: english | 116 pp.
