It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Annie s Attic, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In our present world of give me or I want more and bigger stuff, doesn t really fit with Jeanne s Use it up, wear it out; fix it up or do without philosophy of frugality. Five years ago, when her daughter asked if she would knit some clothes for her girls 18-inch dolls, Jeanne agreed readily, but the few patterns she found didn t meet her requirements. So she decided to design her own. As you will find, Jeanne s philosophy of frugality has carried over to low-cost knitting obsession. The projects in this book use Caron Simply Soft Light, which is an inexpensive acrylic yarn that drapes attractively, giving beautiful results without a high price tag. The patterns knit up quickly, require a minimal number of same-size tools, and have few seams, thus saving time as well as money. Each outfit comes complete from head to toe with tops, bottoms, headbands, bags, shoes and socks. Clever accessories include Ugg inspired boots for the hiker and apres ski faux fur boots for the snow bunny. There are few closures to challenge small fingers, and knitters get the satisfaction of creating a unique garment that is attractive yet durable, serviceable and sure to please a small loved one.
