0.2in. Lynching, the practice of killing people by extrajudicial mob action, occurred in the United States chiefly from the late 18th century through the 1960s. Lynchings took place most frequently in the Southern United States from 1890 to the 1920s, with a peak in the annual toll in 1892. However, lynchings were also very common in the Old West. It is associated with re-imposition of white supremacy in the South after the Civil War. The granting of U. S. Constitutional rights to freedmen in the Reconstruction era (1865-77) aroused anxieties among American citizens, who came to blame African Americans for their own wartime hardship, economic loss, and forfeiture of social privilege. Black Americans, and Whites active in the pursuit of integration rights, were sometimes lynched in the South during Reconstruction. Lynchings reached a peak in the late 19th and early 20th centuries, when Southern states changed their constitutions and electoral rules to disfranchise most blacks and many poor whites, and, having regained political power, enacted a series of segregation and Jim Crow laws to reestablish White supremacy. Notable lynchings...
