This second-chance romance will have you gasping and cheering this two on from the first to the last page! Are you ready to play the final game? \*\*\* Kayla Sinclair is a saint and real life Angel. She wears her heart on her sleeve and inspires me to be a better person. Rescuing dogs, feeding the homeless, volunteering at the local food pantry are just a few of the ways she gives back to others, although no one has ever been there for her. Falling for her was inevitable, losing her will destroy me. Letting someone in didn't come easy, but she made me want to try for the first time in years. Her bubbling personality and kind spirit make it impossible to forget a girl like her. But when tragedy strikes and she loses all memory that our relationship ever existed, my worst nightmare comes to life. I'll do anything to remind her of the love we shared. I know it'll be an uphill battle, but I won't walk away without a fight. Whoever said all is fair in love and war never played by my rules. Checkmate, Angel. \*Recommend for ages 18+ due to sexual content and adult language.\* \*\*This is book w in the Logan Kayla Saga--a second-chance romance. Must read This is Dangerous first. However, you don't need to read any of the other Checkmate duet series to enjoy this one, but is always recommended as they are both introduced in the earlier books.\*\*.
