MY EXISTENTIALISM: A SOCIAL SCIENCE METHODOLOGY (PAPERBACK)

Xlibris Corporation, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The history of the United States in the last thirty years, its preoccupation with the Vietnam War and the devastating affects of that war on the psyche of this nation is evidence of a foreign policy tragedy. Foreign policy tragedy brings domestic tragedy in its wake. The purpose of this study is to work out why the approaches to social revolution--and that is what the Vietnam War was about--have been wrong on both sides of the ideological spectrum the last thirty years in the U.S., point out why they were wrong, point to where they were wrong, and point to the consequences of acting in a society when the perceptions are in certain respects wrong. Let me sum up my perception on what went wrong in Vietnam. It was a Right wing war fought on Left wing premises. It was a war that could not have been won because those who designed it would not or could not win it--but were also afraid of losing it. It was a war that was wrongly perceived by both sides of the ideological spectrum. The Liberal argument was that America tried everything and still lost it! The Conservative argument was that it could have been won if the opposition had not tied their hands, keeping them from an all out effort that would have been required to win it. The war was started in earnest by the Liberals under Kennedy. The strategy was to roll up the enemy by hitting on the peasant and through it, cut off the leaders. Pacification, education, re-education, indoctrination, and the introduction of self-defense techniques to the South Vietnamese peasants was meant to stop the revolution exported from the North...
