A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

TALES OF VICTOR LIGHTNING: DETECTIVE STORIES FOR YOUNG AND OLD

Riffl Publishing, Inc., United States, 2012. Paperback. Book Condition: New. Noname Porter-McShirley (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Summary: Famed detective, Victor Lightning, solves one crime mystery after another, with wild and humorous action involving quick reflexes and a ready tranquilizer gun-always landing the perpetrator safely in police custody. Advance Praises: I really like how Victor Lightening keeps tranquilizing people. All the characters say super funny things. It s so cool that no matter what place Victor is, he can find a clue. I think kids who like detective stories would like this book. -Isaac, age 8 Look out Raymond Chandler. There s a new kid on the block and he actually is a kid. Philip Marlowe meet Victor Lightning, and for readers of noir crime novel adventures meet the boundless energy of young author Erik McShirley. Erik s tales of Victor Lightning is an angular, rock-um sock-um tumble down an old-school private eye rabbit hole all delivered from the wild prespective of a new-school child. Talk about a fresh slant on a shop worn genre. The beauty of it all is that you never for a moment forget that it s from the prespective of a young mind churning out gum-shoe exploits. With that firmly in mind there is much to enjoy in Erik s take on things. His spare style gets to the point in a hurry with loads of action usually ending with the bad guy behind bars. Erik s tales start at night in the midst of some pivotal action. Not much warm-up: you re thrust directly into the flames. These stories have something of a common rhythm and format in how suspects are introduced, almost as if his stories are meant to be the foundation for...
