

Call It Pay-Back (Paperback)

By Luisa B Morton

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Maria Parker, a brilliant, Harvard trained research scientist had left her life in Washington DC behind and was driving west to a new job near St. Louis. Her new associate, Dr. Stanley Cross, is a genius working on an optics program that can put a sensor in a person's optical system and spy on others. This sensor would be a gigantic boost for the Intelligence and Military communities and a big help in the War on Terror. Government agents blackmail and eventually kidnap Cross to manipulate his work, while the new discovery is helping America get one-step up on the terrorists. Maria is suspicious of what is happening to Dr. Cross and tries to help. Her first stop is back in Washington and a talk with her ex-lover Bryan. Worried about her, he agrees to help. Together with CIA friend, Jeff Adams, the two uncover the plot to virtually take over the political life of the country. But they are only two against who knows how many? They don't know how deep the plot goes or who is involved. Worst of...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
