iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. An enchanting, profound, and remarkable story that turns fretful wrinkles into smiles. -Dr. Harold Otis, Ph.D., Professor of English Literature Ravenwood is a good read for children and adults who relish sitting on a cedar log in an ancient forest observing forest creatures and their habits. Through the eyes of Topper, a young city-bred cat, the reader follows Topper s experiences as he adapts to life in a wild, new environment. Topper lands in a clump of sword fern in Ravenwood, abandoned and hungry. His first act is to stalk a large black bird for dinner, but he is interrupted by Sidekick, a doe, who warns that the value of Raven to all of Ravenwood is far greater as surveyor and reporter than to satisfy one hungry feline. Thus begins Topper s many life lessons in the great Pacific Northwest Forest under the wise guidance of Sidekick. This book is well suited to family reading and values discussion.
