Rax keeps it real. -Kirkus Reviews Single mom Danielle Frazier is no stranger to drama, but nothing could have prepared her for her ex's family reunion--or the sexy dude playing DJ. Handsome and cut, Scottie Meadows gives off just the kind of dangerous vibe Dani can't resist--and he's not shy about feeling her either. There's just one problem: Scottie's brother, Neil, is Dani's ex and baby daddy. And Scottie happens to be living in the man's house. But that's not going to stop Danielle. . . . When Dani and Scottie start seeing each other their connection is electric--and everyone feels the heat. Soon Dani is driving a wedge between Neil and his wife--again. And she's coming between two brothers who have only one thing in common: their love for her. But Neil made his choice. Now it's Dani's turn to get chosen. She's always wanted to be Mrs. Meadows, and this time no jealousy, betrayal--or temptation--will stand in her way. . . .
