Divine Illumination and Revelations-the seventh book by Pamela Orock deals with complete submission to our heavenly Father in thought, word and deed. The book teaches that without complete submission and surrender to the Lordship of the Holy Spirit, we cannot receive or experience divine illumination; and if our minds or souls are not illuminated, there is no way we can receive the revelations or the answers that will help move us forward to the next level in life. We need revelations or Bible answers to solve our problems and to help others solve their problems. That is what God created us to do-to be a solution or bring solution to someone else s problems. This truth explains why in one of the chapters in this book, when Jesus was asked who He is, He did not tell them He is Jesus but He responded by saying, I am the bread of life, I am the resurrection and the life, to let us know He actually came to solve and to be a solution to our problems. God bless you all.
