LIVING THE BLESSED LIFE: WHAT DOES IT REALLY MEAN TO BE BLESSED BY GOD?

Berean Publishing House, United States, 2012. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.What does it really mean to be truly blessed by God? For years, there has been much confusion with the interpretation and application of Judeo-Christian scripture in regards to our understanding of God s blessings in our lives. Is the sum of God s teachings on His blessings, His favor, or simply prosperity for the believers? Is a person s health, or even wealth for that matter, directly correlated to their level of spirituality? Although many people claim to be blessed by the Lord, very few understand what it truly means to be blessed by God. Living the Blessed Life: What Does It Really Mean To Be Blessed By God? is an inspirational new book that helps readers answer all of the previously mentioned questions, as well as understand the true benefits to living a blessed life. By highlighting the necessary balance between spiritual and physical prosperity, the book by Clinton M. Lewis teaches readers how to reorder their priorities to focus more on spiritual blessings, rather than materialistic matters. Using the themes from the Sermon on the Mount, this moving book teaches readers the full extent of the fifth chapter of the Gospel of Mathew and how to apply them to our daily lives. This thought-provoking book is designed for individuals who have the urge to grow in the level and understanding of their spirituality by fully learning the truth about God s blessings. Lewis has been involved in the ministry for twenty years. After receiving his license in 1992, he was later ordained by Rev. C. W. Goodwin in 1995. He received his bachelor s degree in business administration from Middle Tennessee State University,...
